ABOUT NTP+

Network in Thane by People Living with HIV and AIDS (NTP+) is registered under the Society Registration Act in January 2005 as a non-profit community based organization of people living with HIV & AIDS. NTP+ is the District Level Network of, for and by the People Living with HIV in Thane district.

The organization aims to improve the quality of life of people living with HIV in Thane and to provide sense of belongingness and togetherness to people living with HIV.

The membership is open to all people living with HIV in the jurisdiction of the District of Thane, irrespective of gender, caste, religion etc. Confidentiality of members is ensured by NTP+.

NTP+ is affiliated by Network of Maharashtra by People Living with HIV and AIDS (NMP+)

NTP+ OBJECTIVES

- ✓ To provide access to information to people living with HIV.
- ✓ To promote social acceptance of people living with HIV and their families to reduce stigma and discrimination.
- ✓ To provide opportunities for Networking for people living with HIV.
- ✓ To raise awareness among people emphasizing the particular vulnerability of Women to HIV.
- ✓ To facilitate and improve access to treatment for people living with HIV.

- ✓ To promote and protect Human rights of people living with HIV.
- ✓ To promote Greater involvement of People Living with HIV (GIPA) at all levels of decision-making.
- ✓ To promote opportunities for skill building of its members, in order to achieve objectives of the Organization.

OBJECTIVE:

- Prevent HIV +VE children from dropping out of school, and ensure their education.
- Help HIV +VE children in the form of books, other study materials, uniforms, clothes, shoes etc.
- Promote HIV +VE children's emotional and intellectual development.
- Support school improvement, including training in modern teaching methods and up-to-date Educational materials.
- Ensure their Right to Education and Development.

To

Colgate- Palmolive (India) Ltd.

We are extremely thankful to you & your staff for your kind support in helping us to bring about positive changes in the life of children infected & affected with HIV. With your support and Guidance tremendous positive changes have happened in the children's health, education & other skills.

We always feel proud to say that we have Colgate Palmolive (India) Ltd as a corporate partner in social development sector and today we are able to support 83 children and help in improving the Quality of their life.

"Positive Step" .

It is an Honor to state that our partnership is contributing towards the national responsibility & becoming the role model for other corporate sectors as well as staff.

We are also thankful to Colgate Company for starting the Mentorship Program for the senior children of the program to guide them in their path of Career development. In all 9 children were selected for the Mentorship Program.

NTP+ is highly thankful to the Colgate Palmolive (India) Ltd & its staff for actively participating & contributing their valuable time to bring effectiveness in Positive Step program

Thanking you

NTP+ is also thankful to Ms. Kshama Pradhan for her sponsorship to 3 children helping them to improve their Quality of life and Health.

BLP PROGRAM

Every year we have the BLP program at our office where new staff of Colgate Company are introduced to the Positive Step Program. A 2 day workshop with the staff and children of the program.

WORLD AIDS DAY REPORT

The World Aids Day was celebrated at Colgate Palmolive India Company's Mumbai office. After breakfast at the company's canteen all the children gathered at the Company's auditorium at 11:15 am. The children were asked to make themselves comfortable at the auditorium where arrangements were made for them to sit and a stage was set up for them for their performance. To make the children feel comfortable Ms. Ziya Patel from Colgate Palmolive welcomed all the children for the celebration of World Aids Day. She started with Hi- Hello and the game of hands up otherwise out. She said that on World Aids Day all the staffs of Colgate Company feel very happy as they know that the children of Positive Step gather at the Company to celebrate World Aids Day. After this she requested Shashank Sir, M.D of the company to say a few words for the children of Positive Step.

Performances by Positive Step Children at Colgate Company as a thanks giving to all the staff for their continuous support in the field of Education & Nutrition to help them face the challenges in life and overcome them.

In the evening Colgate gift hampers were distributed to all the children and the staff of NTP+. Balloons were released in the air by the children of Positive Step and the Colgate team members.

In this way the World Aids Day was celebrated by all the children of Positive Step at Colgate Palmolive India Ltd office with the help and support of all the office staff.

THANK YOU
