ABOUT NTP

Network in Thane by People Living with HIV and AIDS (NTP+) is registered under the Society Registration Act in January 2005 as a non-profit community based organization of people living with HIV & AIDS. NTP+ is the District Level Network of, for and by the People Living with HIV in Thane district.

The organization aims to improve the quality of life of people living with HIV in Thane and to provide sense of belongingness and togetherness to people living with HIV.

The membership is open to all people living with HIV in the jurisdiction of the District of Thane, irrespective of gender, caste, religion etc. Confidentiality of members is ensured by NTP+.

NTP+ is affiliated by Network of Maharashtra by People Living with HIV and AIDS (NMP+)

NTP+ OBJECTIVES

- ✓ To provide access to information to people living with HIV.
- ✓ To promote social acceptance of people living with HIV and their families to reduce stigma and discrimination.
- ✓ To provide opportunities for Networking for people living with HIV.
- ✓ To raise awareness among people emphasizing the particular vulnerability of Women to HIV.

- ✓ To facilitate and improve access to treatment for people living with HIV.
- ✓ To promote and protect Human rights of people living with HIV.
- ✓ To promote Greater involvement of People Living with HIV (GIPA) at all levels of decision-making.
- ✓ To promote opportunities for skill building of its members, in order to achieve objectives of the Organization.

OBJECTIVE:

- Prevent HIV +VE children from dropping out of school, and ensure their education.
- Help HIV +VE children in the form of books, other study materials, uniforms, clothes, shoes etc.
- Promote HIV +VE children's emotional and intellectual development.
- Support school improvement, including training in modern teaching methods and up-to-date Educational materials.
- Ensure their Right to Education and Development.

To

Colgate- Palmolive (India) Ltd.

We are extremely thankful to you & your staff for your kind support in helping us to bring about positive changes in the life of children infected & affected with HIV. With your support and Guidance tremendous positive changes have happened in the children's health, education & other skills.

We always feel proud to say that we have Colgate Palmolive (India) Ltd as a corporate partner in social development sector and today we are able to support 83 children and help in improving the Quality of their life.

"Positive Step" .

It is an Honor to state that our partnership is contributing towards the national responsibility & becoming the role model for other corporate sectors as well as staff.

We are also thankful to Colgate Company for starting the Mentorship Program for the senior children of the program to guide them in their path of Career development. In all 9 children were selected for the Mentorship Program.

NTP+ is highly thankful to the Colgate Palmolive (India) Ltd & its staff for actively participating & contributing their valuable time to bring effectiveness in Positive Step program

Thanking you

NETWORK IN THANE BY PEOPLE
LIVING WITH HIV

NTP+ is also thankful to Ms. Kshama Pradhan for her sponsorship to 3 children helping them to improve their Quality of life and Health.

ACTIVITY –

As it was work from home due to Covid-19 pandemic activities were stopped as a precautionary measure to avoid exposure to the corona virus.

However, under the Care and Support project of Vihaan we were able to provide ART medicines to clients at their homes in different parts of Thane district. Our team of 12 Outreach Workers were on field providing ART medicines to the clients as they could not reach the ART centers due to complete lockdown. In all our team reached out to 586 clients at their homes and delivered ART medicines to them helping them to maintain ART adherence and good health during the Corona crises. Our team also arranged the transport of ART medicines from 1 center to another during Corona.

THANK YOU
